Filed: April 26, 2021

Special Processing Unit (SPU);  
Ruling on Entitlement; Concession;  
Table Injury; Influenza (Flu) Vaccine;  
Guillain-Barre Syndrome (GBS)

*Maximillian J. Muller, Muller Brazil, LLP, Dresher, PA, for Petitioner.*

*Tyler King, U.S. Department of Justice, Washington, DC, for Respondent.*

### RULING ON ENTITLEMENT<sup>1</sup>

On December 7, 2020, George Potak filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, et seq.<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that he suffered Guillain-Barré syndrome (“GBS”) as a result of an influenza (“flu”) vaccine administered to him on December 18, 2018. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On April 26, 2021, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. Specifically, Respondent states that “[P]etitioner has satisfied the criteria set forth in the Vaccine Injury Table (Table) and Qualifications and Aids to Interpretation (QAI)”. *Id.* at 6.

<sup>1</sup> Because this unpublished ruling contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims’ website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the ruling will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Respondent further agrees that "Petitioner's records establish that he has GBS, the onset of his condition occurred within the Table timeframe, and there is no . . . apparent alternative cause for his condition." *Id.*

**In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.**

**IT IS SO ORDERED.**
